Dear [Employee's Name],

We hope this message finds you well. As you are aware, your employment involves working in multiple jurisdictions. This letter aims to provide you with important information regarding your tax obligations associated with your cross-border employment.

Tax Residency Status

Your tax residency status will determine which country has the right to tax your income. It is important to provide accurate information regarding your residency in both [Home Country] and [Host Country].

Income Tax Obligations

Your earnings may be subject to tax in both countries. We recommend consulting with a tax professional well-versed in cross-border taxation to assess your specific situation.

Double Taxation Agreement

There may be a Double Taxation Agreement (DTA) between [Home Country] and [Host Country] that can help prevent you from being taxed twice on the same income. We encourage you to explore this option.

Important Deadlines

Please be aware of the tax filing deadlines in both jurisdictions to ensure compliance and avoid penalties.

If you have any questions or need further assistance, please do not hesitate to contact our HR or finance department.

Thank you for your attention to this important matter.

Sincerely,
