Dear [Recipient's Name],

I hope this letter finds you well. As we discuss the allocation of our family estate, it is crucial to consider the implications of inheritance tax and how we can effectively plan to minimize its impact on our beneficiaries.

To that end, I propose the following strategies:

- Establishing a family trust to manage the distribution of assets.
- Diversifying asset types to create a balanced estate portfolio.
- Utilizing lifetime gifting strategies to reduce taxable estate value.
- Exploring charitable donations as a means to offset tax liabilities.

I recommend scheduling a meeting to discuss these options in detail and tailor our approach to best suit our family's needs.

Thank you for your attention to this important matter. I look forward to your response.

Sincerely,
