

You're Invited to Join Our Employee Referral Program!

Dear Team,

As we continue to grow and expand our remote workforce, we are excited to announce the launch of our Employee Referral Program!

We believe that you know our company culture best and can help us find talented individuals who would be a great fit for our team.

For each successful referral, you'll receive a bonus as a thank-you for helping us build a stronger team!

How It Works:

1. Refer candidates for open positions.
2. Ensure candidates mention your name during the application process.
3. If your referral is hired and completes their introductory period, you earn a bonus!

To get started, click the link below to view current job openings:

Thank you for your continued support and for helping us find the best talent to join our remote team!

Best regards,
The HR Team
