## **Subject: Inclusion of Non-Compete Clause in Partnership Agreement**

Dear [Partner's Name],

I hope this message finds you well. As we move forward with our partnership agreement, I would like to propose the inclusion of a Non-Compete Clause in our contract to protect our mutual interests.

The purpose of this clause would be to ensure that neither party engages in business practices that could directly compete with our partnership during and after the term of our agreement. Specifically, I propose the following terms:

- Duration of the non-compete obligation: [X years after termination]
- Geographic limitation: [Specific regions or markets]
- Scope of prohibited activities: [Define specific activities or industries]

I believe that this addition will provide a solid foundation for our collaboration and minimize potential conflicts of interest. Please let me know your thoughts on this matter.

Thank you for your attention to this important aspect of our partnership. I look forward to your response.

Sincerely,

[Your Name]

[Your Title or Position]

[Your Company Name]
