To Whom It May Concern,

I am writing to express my concern regarding the ongoing construction work near my residence at [Your Address]. The noise generated by this construction has become increasingly disruptive to my daily life.

The construction activities, which include loud machinery and prolonged hours of work, have affected my ability to [mention any specific activities affected, e.g., work from home, rest, etc.]. I understand that construction can be necessary, but the noise levels during this project exceed what I believe is reasonable.

I kindly ask that measures be taken to minimize the noise during early mornings and late evenings, as well as to limit the level of noise created by machinery. Your cooperation in this matter would be greatly appreciated by myself and likely many other residents in the area.

Thank you for your attention to this important matter. I look forward to your response.

Sincerely,
