

# Community Garbage Disposal Instructions

Dear Residents,

In our efforts to maintain a clean and healthy community, we kindly ask for your cooperation in following the garbage disposal instructions listed below:

## 1. Trash Collection Days

Trash will be collected every Monday and Thursday. Please ensure your garbage is out by 7:00 AM.

## 2. Proper Trash Bags

All garbage must be placed in securely tied, durable trash bags before being placed in bins.

## 3. Recycling Guidelines

Please separate recyclables from regular trash. The following items are recyclable:

- Paper
- Cardboard
- Plastic bottles and containers
- Glass bottles and jars

## 4. Hazardous Waste Disposal

Items such as batteries, electronics, and chemicals should not be placed in regular trash. Please refer to our website for hazardous waste disposal events.

## 5. Bulk Waste Collection

For large items, requests for bulk waste collection can be made by calling the community service hotline.

Thank you for your attention to these important guidelines. Together, we can keep our community clean!

Sincerely,

The Community Management Team
