Dear [Parent/Guardian's Name],

We hope this message finds you well. As the summer season approaches, we would like to remind you of the important supervision requirements for children using the pool.

Supervision Guidelines:

- Children under the age of 12 must be accompanied by an adult at all times while in and around the pool.
- Ensure a responsible adult is designated to supervise children in the water.
- Regularly check on children, especially if they are in different areas of the pool.
- Swimming lessons are encouraged for children to enhance their water safety skills.

We appreciate your cooperation in ensuring a safe environment for all children. If you have any questions or concerns, please feel free to reach out.

Thank you for your attention.

Sincerely,
