

Pool Cleanliness and Maintenance Standards

Date: [Insert Date]

To: [Recipient Name]

[Recipient Address]

Dear [Recipient Name],

We hope this message finds you well. As part of our commitment to ensuring a safe and enjoyable swimming environment, we would like to outline our pool cleanliness and maintenance standards:

- **Water Quality:** Our pool is tested at least twice daily for pH levels and disinfectant concentration to ensure safe swimming conditions.
- **Regular Cleaning:** The pool is vacuumed daily, and skimmers are used to remove debris from the surface regularly.
- **Tile Maintenance:** Pool tiles are scrubbed weekly to prevent the buildup of algae and calcium deposits.
- **Filter Systems:** Our filtration systems are maintained and backwashed bi-weekly for optimal performance.
- **Safety Inspections:** Regular safety inspections are conducted to ensure compliance with all health and safety regulations.

We appreciate your cooperation in helping us maintain these standards. Should you have any questions or suggestions, please feel free to reach out.

Thank you for your attention.

Sincerely,

[Your Name]
