

Dear Residents,

We want to ensure a safe and accessible community during the winter season. Below are the guidelines for our snow removal services:

Snow Removal Guidelines

- **Timing:** Snow removal will begin after 2 inches of accumulation.
- **Priority Areas:** Emergency routes, main roads, and then residential streets.
- **Sidewalks:** Residents are responsible for clearing sidewalks adjacent to their properties within 24 hours of snowfall.
- **Driveway Clearing:** Please do not block the plowed street with snow from your driveway.
- **Parking:** Keep vehicles off the street during snow removal to allow for efficient plowing.
