

# Snow Removal Standards Notice

Date: [Insert Date]

To: Homeowners Association Members

Dear Homeowners,

As winter approaches, we want to ensure that all residents are aware of the snow removal standards that will be implemented in our community. Our goal is to maintain safety and accessibility for all members.

## Snow Removal Guidelines

- All driveways and walkways will be cleared within 24 hours of snowfall accumulation of 2 inches or more.
- Priority will be given to main roads and common areas to ensure emergency vehicles can access the community.
- Residents are encouraged to clear their own sidewalks within 48 hours to promote safety.
- Ice melting agents will be applied to entrances and walkways as needed.

We appreciate your cooperation in keeping our community safe and accessible during the winter months. If you have any questions or concerns, please do not hesitate to reach out to the HOA board.

Thank you for your attention to this matter.

Sincerely,

[Your Name]

President, [Homeowners Association Name]
