

# Holiday Decoration Instructions

Dear Homeowner,

As the holiday season approaches, we wanted to provide you with some simple instructions to ensure your decorations add to the festive spirit of our community.

## General Guidelines

- Choose a theme: Select a color scheme or theme that complements your home.
- Safety first: Ensure all electrical decorations are in good working condition.
- Respect your neighbors: Keep noise levels reasonable and avoid overly bright lights that could disturb others.

## Exterior Decorations

1. Start with the front porch: Use wreaths, garlands, and well-placed lights.
2. Consider window displays: Hang lights and decorations in a balanced manner.
3. Incorporate yard decorations: Use festive lawn ornaments or inflatable figures.

## Interior Decorations

For indoor spaces, we suggest:

- Festive centerpieces for dining tables.
- String lights around windows and mantels.
- Stockings hung by the fireplace for a traditional touch.

We appreciate your cooperation and enthusiasm in making our community bright this holiday season!

Happy Holidays!

Sincerely,  
Your Neighborhood Association
