[Insert Recipient's Address]

Dear [Insert Recipient's Name],

As we approach the gardening season, we want to ensure the safety and well-being of everyone involved. Below are the key health and safety measures we propose to implement:

- All garden tools should be inspected regularly for safety and functionality.
- Appropriate personal protective equipment (PPE), including gloves and masks, should be worn at all times.
- First aid kits will be located in the garden area and regularly stocked.
- A designated area for hazardous materials should be established and clearly marked.
- Guidelines for lifting heavy objects safely will be shared with all participants.

We appreciate your cooperation in maintaining a safe gardening environment. Please feel free to reach out if you have any questions or suggestions.

Sincerely,

[Your Name]
