Dear [Client's Name],

We are pleased to present our lawn care and maintenance standards to ensure your lawn remains healthy and vibrant.

Our Lawn Care Services Include:

- Regular Mowing
- Fertilization
- Weed Control
- Mulching
- Seasonal Aeration
- Pest Management

Maintenance Schedule:

We recommend the following maintenance schedule for optimal results:

- Mowing: Once a week during the growing season
- Fertilization: Every 6-8 weeks
- Weed Control: As needed throughout the season
- Mulching: Twice a year

Client Responsibilities:

To maintain the quality of service, we ask clients to:

- Ensure access to the lawn area
- Notify us of any specific concerns or issues
- Provide feedback on services rendered

Thank you for choosing us for your lawn care needs. We are committed to providing you with outstanding service and a lush, healthy lawn.

Sincerely,
