

# Guidelines for Eclipse Observation Events

Dear Participants,

As we prepare for the upcoming eclipse observation event, please adhere to the following guidelines to ensure a safe and enjoyable experience:

## 1. Safety First

- Always use proper solar viewing glasses or filters when observing the eclipse.
- Do not look directly at the sun without proper protection.
- Keep children supervised at all times.

## 2. Event Schedule

- Event Date: [Insert Date]
- Location: [Insert Location]
- Start Time: [Insert Start Time]
- End Time: [Insert End Time]

## 3. Equipment

- Bring your own solar viewing glasses, telescopes, and cameras if desired.
- Do not touch other participants' equipment without permission.

## 4. Respect and Cleanliness

Please respect the event space and leave no litter behind. Let's keep our environment clean.

## 5. Emergency Contacts

In case of emergencies, please contact [Insert Emergency Contact Information].

We look forward to a wonderful eclipse observation experience with all of you!

Sincerely,

[Your Organization Name]
