To Whom It May Concern,

I am writing to formally complain about the excessive noise coming from [Neighbor's Name/Address or the location if not known], particularly loud music that has been disturbing the peace in our neighborhood. This has been an ongoing issue, especially on [specific days/times].

The volume of the music makes it difficult for my family and I to enjoy our own home and interferes with our ability to relax, work, and sleep. Despite previous attempts to address this situation informally, the problem persists, prompting me to seek formal resolution.

I kindly request that you address this issue promptly to restore a peaceful living environment for all residents in our community.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,
