

Subject: Follow-Up on Internet Speed Upgrade Request

Dear [Service Provider's Name],

I hope this message finds you well. I am writing to follow up on my previous request for an internet speed upgrade submitted on [Date of Initial Request]. I understand that these requests take time to process, but I wanted to inquire about the status of my request.

As stated in my initial message, my current internet speed has been insufficient for my needs, and an upgrade would greatly enhance my online experience. If you need any additional information from my end to facilitate the process, please let me know.

Thank you for your attention to this matter. I look forward to hearing from you soon.

Best regards,
