Dear [Surveyor's Name],

I am writing to formally request a property lines survey for my land development project located at [Project Address/Location]. Given the nature of the development, it is essential to establish accurate property boundaries to comply with local regulations and to facilitate the planning process.

The specific requirements for the survey include:

- Identification of all property lines and corners
- Measurement of existing easements
- Topographical features that may affect the development

Please let me know your availability for this survey and any costs that may be associated with it. I appreciate your assistance and look forward to your prompt response.

Thank you for your attention to this matter.

Sincerely,

[Your Name]
