Dear Parents and Guardians,

As our school community prepares for the upcoming hurricane season, we want to assure you that the safety of our students and staff is our top priority. We have developed a comprehensive hurricane preparedness policy to ensure the well-being of everyone at [School Name].

Key Components of Our Hurricane Preparedness Policy:

- **Monitoring Weather Conditions:** We will closely monitor weather updates from reliable sources and communicate any developments to our school community.
- **Emergency Communication:** In the event of a hurricane, we will utilize our emergency communication system to keep parents informed.
- **Evacuation Procedures:** Detailed evacuation plans are in place, and drills will be conducted regularly to ensure preparedness.
- **Student Dismissal:** In the event of an emergency, students will be dismissed according to our established procedures to ensure their safety.
- **Support Resources:** We will provide information on local resources for families affected by hurricanes.

We encourage all families to have their own hurricane preparedness plans in place. Please take the time to review your emergency plans and ensure you have necessary supplies ready.

If you have any questions or concerns regarding our hurricane preparedness policy, please do not hesitate to contact us at [School Contact Information].

Thank you for your cooperation and support in keeping our community safe.
