- Install deadbolts on exterior doors for extra security.
- Consider a security system or smart home devices that can alert you to any suspicious activity.

## 2. Manage Deliveries

- Schedule deliveries for times when you are home.
- Consider using locker services for package deliveries to avoid theft.

## 3. Be Mindful of Holiday Decorations

- Avoid placing gifts or valuables near windows where they can be seen from the outside.
- Ensure that outdoor lights are secure and not easily tampered with.

## 4. Don't Advertise Your Absence

- Refrain from posting about your vacation plans on social media.
- Use timers for lights to create the illusion that someone is home.

## 5. Communicate with Neighbors

- Inform trusted neighbors of your travel plans and ask them to keep an eye on your home.
- Offer to do the same for them during their holiday travels.
