

Dear Pet Owners,

As the holiday season approaches, we want to ensure the safety and well-being of your furry family members. Below are some essential tips to keep your pets safe during the festivities:

1. Keep Decorations Out of Reach

Holiday lights, ornaments, and ribbons can pose choking hazards. Ensure your decorations are pet-proofed!

2. Be Cautious with Holiday Foods

Common foods like chocolate, grapes, and onions can be toxic to pets. Keep food safely stored away from curious noses.

3. Provide Safe Spaces

With guests and festivities, provide a quiet space for your pet to retreat to if they feel overwhelmed.

4. Watch Out for Holiday Plants

Keep an eye on holiday plants such as poinsettias, mistletoe, and lilies, which can be harmful if ingested.

5. Ensure ID Tags are Updated

With new faces around, it's crucial to ensure your pet's identification tags are updated in case they get lost.

6. Schedule a Vet Check

Before any travel plans, consider scheduling a vet appointment to ensure your pet is healthy and travel-ready.

We hope you and your pets have a wonderful and safe holiday season!

Sincerely,

Your Local Pet Care Team
