

Conference Poster Evaluation Criteria

Dear [Presenter's Name],

We appreciate your submission to the [Conference Name]. The evaluation of your poster will be based on the following criteria:

Evaluation Criteria

- **Content Quality:** Clarity of objectives, relevance to the conference theme, and depth of research.
- **Design and Layout:** Visual appeal, logical organization of content, and readability.
- **Presentation Skills:** Ability to engage the audience, clarity of explanation, and responsiveness to questions.
- **Originality:** Novelty of the research and contribution to the field.
- **Impact:** Potential influence on future research or practice.

Each criterion will be rated on a scale from 1 to 5, with 5 being exceptional. A total score of [Total Points Possible] will be assigned to each poster.

Thank you for your contribution, and we look forward to your presentation.

Sincerely,
