We are excited to welcome you to the upcoming conference! To ensure a smooth experience, we have implemented enhanced QR code scanning at various checkpoints throughout the event.

Here are some important guidelines to follow:

- Ensure that your device's camera is clean and functioning properly.
- Download any necessary apps recommended by the conference organizers beforehand.
- Keep your device charged to avoid inconvenience during scanning.
- Position your device directly above the QR code for optimal scanning.
- If you encounter any issues, please refer to the help desk located at the main entrance.

By following these guidelines, you will help us ensure a seamless experience for all attendees. Thank you for your cooperation, and we look forward to seeing you at the conference!
