

# Welcome to the Conference!

Dear Attendee,

We are excited to have you join us for the upcoming conference. To enhance your experience, we have implemented a QR code system for check-in and session access. Please follow the instructions below to scan your QR code:

## QR Code Scanning Instructions

1. Ensure you have a QR code scanning app installed on your smartphone. Most cameras on modern smartphones can scan QR codes directly.
2. Locate your personalized QR code in your confirmation email or on the conference app.
3. Open the QR code scanner app or your camera app.
4. Point your camera at the QR code and hold it steady until a notification appears.
5. Tap the notification to access your conference details.

If you encounter any issues, please visit the registration desk for assistance.

We look forward to seeing you!

Best Regards,  
The Conference Organizing Team
