To Whom It May Concern,

I am writing to formally appeal the recent determination regarding the property lines of my residence located at [Your Property Address]. My appeal is based on the following grounds:

- Inaccurate mapping of the property boundaries as outlined in the official documents.
- Conflicting survey results obtained from a licensed surveyor.
- Historical usage and established practices regarding the land in question.

Attached are copies of the surveyor's report and any relevant documents supporting my case. I believe that a review of these materials will clarify the situation.

I request a meeting to discuss this matter and any possible resolutions. Please let me know a convenient time for you to proceed.

Thank you for your attention to this important matter.

Sincerely,
