

GDPR Compliance Update

Dear Team,

As part of our ongoing commitment to data protection and privacy, we are providing you with an update on our compliance with the General Data Protection Regulation (GDPR).

We have implemented several measures to ensure that personal data is handled responsibly and in accordance with GDPR requirements. These measures include:

- Regular training for all employees on data protection practices.
- Updated policies and procedures regarding data handling.
- Enhancements to our data security measures.
- An established protocol for reporting data breaches.

Please take the time to review our updated policies, which are available on the company intranet. It is essential that all employees understand their responsibilities regarding data protection.

If you have any questions or concerns, please feel free to reach out to the Compliance Team.

Thank you for your cooperation.

Sincerely,
Your Compliance Team
