

# Letter of Support for Hiring an Academic Coach

Date: [Insert Date]

To [Recipient's Name],

I am writing to express my strong support for the hiring of an academic coach at [Institution/Organization Name]. As we strive to enhance our educational programs and student support services, the addition of an academic coach will play a crucial role in helping students achieve their academic goals.

Academic coaching offers personalized guidance and resources that empower students to develop effective study habits, organizational skills, and time management techniques. By providing one-on-one support, an academic coach can help students navigate academic challenges, build confidence, and foster a growth mindset.

Furthermore, data indicates that institutions with dedicated academic coaching services see improvements in student retention and success rates. This investment not only benefits individual students but also enriches our entire academic community by promoting a culture of achievement and support.

I urge you to consider the positive impact an academic coach would have on our students, faculty, and overall academic environment. Thank you for your attention to this important matter.

Sincerely,
