

# Dear Parents,

We hope this message finds you well. We are excited to inform you about the revised curriculum that will be implemented in the upcoming academic year.

## Overview of the Revised Curriculum

The new curriculum aims to enhance student engagement, encourage critical thinking, and promote a deeper understanding of the subject matter. Key changes include:

- Introduction of new subjects: **Robotics, Environmental Science**
- Updated teaching methodologies focusing on **project-based learning**
- Increased emphasis on **STEM education**
- Integration of **digital tools** in the classroom

## Implementation Timeline

The revised curriculum will be rolled out starting **September 2024**. We will be hosting informational sessions in the coming months to provide further details.

## Feedback and Questions

We value your input! Please feel free to reach out with any questions or feedback regarding the new curriculum.

Thank you for your continued support and collaboration.

**Sincerely,**

The School Administration
