Dear [Tutor's Name],

I hope this message finds you well. I wanted to take a moment to provide some feedback on my recent tutoring sessions with you regarding [subject or topic].

First, I would like to express my appreciation for your teaching methods. The way you explained complex concepts in a simpler manner made it easier for me to understand.

Moreover, I found your patience and encouragement instrumental in helping me build confidence in my abilities. The personalized approach you took made me feel valued as a student.

However, I believe that including more practical examples and exercises could enhance my learning experience further. This would help consolidate my understanding of the material.
