Dear [Insert Name],

Thank you for the opportunity to review the Child Protection Policy. After careful consideration, I have compiled the following feedback points:

- **Clarity:** The policy is generally clear but could benefit from simplified language in sections [insert section].
- **Inclusivity:** It is recommended to include more inclusive practices for [insert specific groups].
- **Implementation:** Consider outlining specific training procedures for staff to enhance understanding and compliance.
- **Monitoring:** Additional methods for evaluating the effectiveness of the policy should be incorporated.

I appreciate the commitment your organization has shown to protecting children and am optimistic that with these revisions, the policy will be even stronger. Please feel free to reach out if you would like to discuss any of the feedback in more detail.

Thank you for your dedication to this critical work.

Sincerely,
