Dear [Client's Name],

I hope this message finds you well. I am writing to discuss the renewal of our freelance contract originally signed on [Insert Original Contract Date]. As the term approaches its end on [Insert Contract End Date], I would like to express my interest in continuing our collaboration.

Over the past [duration of the contract], I have enjoyed working on [specific projects/task], and I believe there is still much more we can achieve together. I am happy with the current terms and would like to propose renewing the contract for an additional [Insert Duration] with the same conditions.

If you are open to this renewal, please let me know, and I can draft the necessary documents. I look forward to your response.

Thank you for the opportunity to work with you.

Sincerely,

[Freelancer's Name]
