## **Subject: Objection to Pre-Trial Discovery Requests**

Dear [Recipient's Name],

I am writing to formally object to the pre-trial discovery requests served on me on [date the requests were received]. After careful review of the requests, I believe that several of them are overly broad, irrelevant, and unduly burdensome.

Specifically, I object to the following requests:

- Request No. 1: [Brief description of the request and grounds for objection]
- Request No. 2: [Brief description of the request and grounds for objection]
- Request No. 3: [Brief description of the request and grounds for objection]

In accordance with [relevant rules or statutes], I request that you reconsider the scope of these requests or provide justification for their necessity. I am open to discussing alternative means of obtaining the required information that would not impose an undue burden.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,

[Your Name]
