[Address]

Dear [Recipient's Name],

I hope this message finds you well. As part of our ongoing commitment to maintaining a secure environment and protecting our data assets, we are in the process of conducting a comprehensive cybersecurity risk assessment.

We would like to formally request a cybersecurity risk assessment report that outlines any potential vulnerabilities within our systems and the necessary recommendations to mitigate these risks.

The report should include:

- Overview of the current cybersecurity posture
- Identified threats and vulnerabilities
- Risk analysis and impact assessment
- Recommendations for risk mitigation strategies
- Any follow-up actions needed

We are aiming to have this assessment completed by [insert deadline], and we would appreciate your report by this date to facilitate our planning.

Thank you for your attention to this matter. Please let me know if you need any additional information or if there are any forms required to process this request.

Sincerely,

[Your Name]
