Subject: Discussion on Accident Forgiveness Coverage

Dear [Recipient's Name],

I hope this message finds you well. I am writing to propose a discussion regarding the addition of accident forgiveness coverage to our insurance policies. This coverage could significantly benefit our clients by providing them peace of mind and financial protection in the event of an accident.

Accident forgiveness coverage can prevent policyholders from facing increased premiums after their first at-fault accident. This unique feature not only enhances customer satisfaction but also strengthens client retention rates.

I believe that exploring this option can position our company as a leader in client-focused insurance solutions. I would appreciate the opportunity to discuss this further at your earliest convenience.

Thank you for considering this proposal. I look forward to your response.

Sincerely,
