

# Petition for Affordable Mortgage Insurance Pricing

To: [Recipient's Name] [Recipient's Title] [Company/Organization Name] [Address] [City, State, Zip Code]

Dear [Recipient's Name],

We, the undersigned, are writing to formally petition for more affordable pricing on mortgage insurance. As homebuyers and homeowners, we believe that the current rates are prohibitive and put homeownership out of reach for many in our community.

We understand the importance of mortgage insurance, but the costs associated with it have steadily increased, making it difficult for families to maintain their homes and for first-time buyers to enter the market. We urge you to consider strategies for reducing these costs, such as:

- Implementing a tiered pricing structure based on the homeowner's financial profile.
- Providing discounts for first-time homebuyers.
- Exploring federal or state subsidies to lower premium costs.

Attached to this letter, you will find signatures from concerned citizens who support this petition. We believe that affordable mortgage insurance is crucial for fostering stable communities and ensuring economic growth.

Thank you for considering our request. We look forward to your response and hope to see positive changes implemented soon.

Sincerely,

[Your Name] [Your Address] [City, State, Zip Code] [Email Address] [Phone Number]
