

Dear [Tax Consultant's Name],

I hope this message finds you well. My name is [Your Name], and I am a freelancer specializing in [Your Specialty]. As we approach the tax season, I would like to inquire about the estimation of my tax obligations for the upcoming year.

Given that my income varies significantly from month to month, I am seeking guidance on how to best estimate my taxes based on my projected earnings. Specifically, I would like to understand the following:

- The percentage of my income I should set aside for taxes.
- Deductible expenses I should be aware of, applicable to my freelance work.
- Any recommended accounting practices that can assist with tax preparation.

Could we schedule a time to discuss this matter in detail? I appreciate your assistance and look forward to your response.

Thank you for your time!

Sincerely,

[Your Name]
