To Whom It May Concern,

I am writing to formally express my objection to the recent fare increase announced by [Company/Service Name]. As a regular user of your services, I have always appreciated the value and convenience you provide. However, this fare increase has raised several concerns for me as well as many other customers.

Firstly, the increase substantially impacts my monthly budget, making it more difficult for individuals and families to afford essential transportation. Furthermore, I believe this rise in fare lacks sufficient justification given the current economic climate and the financial strains many are facing.

I urge you to reconsider this fare increase and take into account the feedback from your loyal customers. It would also be beneficial to provide the rationale behind this decision to better inform us about the necessity of such a change.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,

[Your Name]
