Dear [Recipient's Name],

I am writing to formally express my objection regarding the use of low-quality ingredients in [specific product or category]. As a loyal customer and advocate for high standards in product quality, I believe it is essential to address this issue.

The use of inferior ingredients not only compromises the quality of the product but also raises concerns about the health and safety of consumers. I urge your company to consider improving the quality of the ingredients used to ensure customer satisfaction and trust.

I appreciate your attention to this matter and look forward to your prompt response regarding potential improvements.

Sincerely,

[Your Name]
