Dear [Recipient's Name],

I am writing to provide clarification regarding the confidentiality measures in place for the upcoming national census. It is essential to emphasize that all personal information collected during the census is protected by strict confidentiality laws.

Each response is anonymized and stored securely, ensuring that individuals cannot be identified from their answers. Moreover, the information used for statistical purposes only is compiled in such a way that it maintains the integrity and privacy of all participants.

Public trust is paramount for the success of the census, and I welcome any questions you may have regarding our confidentiality policies. Together, we can ensure that each individual feels secure in providing their information.

Thank you for your attention to this important matter.

Sincerely,
