Dear [Insurance Agent/Manager Name],

I hope this message finds you well. I am writing to formally propose an increase in my current life insurance coverage with [Insurance Company Name]. Over the past few years, my financial situation and responsibilities have changed significantly, and I believe that an increase in my coverage is necessary to ensure adequate financial protection for my loved ones.

Currently, I hold a policy with a coverage amount of [Current Coverage Amount], which I believe is insufficient considering:

- Recent increase in my family's living expenses
- New financial obligations including [e.g., mortgage, education costs]
- Inflation and changes in the economic landscape

After careful consideration, I would like to propose increasing my life insurance coverage to [Proposed Coverage Amount]. I believe this amount will provide better security and peace of mind for my family.

In light of this proposal, I am open to discussing the terms and any potential adjustments in my premium. I would appreciate an opportunity to review my options and move forward with this increase at your earliest convenience.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,
