

Appeal Letter for Review of Incorrect Coverage Metrics

Date: [Insert Date]

To: [Recipient's Name]

[Recipient's Title]

[Company/Organization Name]

[Company Address]

Dear [Recipient's Name],

I hope this message finds you well. I am writing to formally appeal the coverage metrics provided in the recent report dated [Report Date]. After a thorough review of the data and metrics, I believe that there are discrepancies that warrant further examination.

Specifically, I have identified the following issues:

- Incorrect data entries in section [Specify Section].
- Methodology changes that were not communicated.
- Inconsistencies between the reported metrics and the actual data gathered.

These inaccuracies have significant implications for our project assessments and future planning. I kindly request a review of these metrics to ensure that our data reflects the true performance results.

Thank you for your attention to this matter. I look forward to your prompt response and the opportunity to discuss this further.

Sincerely,

[Your Name]
