Dear [Recipient's Name],

I am writing to formally petition for a comprehensive review of the current Loss Prevention Program implemented at [Company/Organization Name]. As a [Your Position/Relation to the Company], I have observed several areas where the existing program could be enhanced to better protect our assets and minimize losses.

Specifically, I would like to address the following concerns:

- Insufficient training for staff on loss prevention techniques.
- Lack of updated technology in monitoring potential theft and loss.
- Inadequate response protocols for suspected loss events.

In light of these issues, I respectfully request that a committee be formed to assess the current Loss Prevention Program and explore improvements that could be made. I believe that with a thorough evaluation, we can develop a more robust approach that safeguards our company interests.

Thank you for considering this important matter. I look forward to your prompt response regarding my petition.

Sincerely,
