Dear [Insurance Agent's Name],

I am writing to formally request information regarding the insurance coverage available for security breaches under my current policy ([Policy Number]).

In light of recent events in the industry, I would like to ensure that my business is adequately protected against potential security breaches, including but not limited to data theft, unauthorized access, and other cyber threats.

Could you please provide me with details regarding the coverage options, limits, deductibles, and any additional information I may need to understand my current standing regarding this matter?

Thank you for your attention to this important request. I look forward to your prompt response.

Sincerely,

[Your Name]
