Dear [Insurance Adjuster's Name],

I am writing to formally request an adjustment to our current insurance premium related to security breach coverage under policy number [Policy Number]. Due to a recent incident involving a security breach within our organization, we have incurred unexpected costs and operational disruptions that have impacted our financial standing.

In light of these circumstances, we believe it is appropriate to review and adjust our premium to reflect our current risk exposure and financial situation. We value our relationship with your company and hope to continue our coverage without interruption.

Please let us know the necessary steps to initiate this review process. Additionally, if you require any further documentation or information, do not hesitate to contact me directly.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,

[Your Name]
