Dear [Landlord/Property Manager's Name],

I hope this message finds you well. I am writing to formally request pest control services for the rental space located at [Rental Address]. I have noticed [describe the pest issue, e.g., "an increased presence of rodents," "insects," or "termites"], which has become a concern for me as a tenant.

As per our rental agreement, I believe the responsibility for maintaining the property free of pests falls under your purview. I kindly ask that you arrange for a professional pest control service to address this issue at your earliest convenience.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,

[Your Name]
