Dear Members of the School Board,

I am writing to express my concern regarding the availability of housing within our school district. As a parent of a child attending [School Name], I have observed that the lack of affordable housing options poses significant challenges for families wishing to reside within the district.

Many families are struggling to find suitable homes that provide a stable environment for children to learn and grow. This issue not only affects enrollment numbers but also impacts the overall community and quality of education. I urge the board to consider reviewing and addressing this matter urgently.

Collaborating with local agencies to develop more housing solutions would be a step in the right direction. Your attention to this critical issue is essential for ensuring a thriving educational environment for all students.

Thank you for your attention to this matter. I look forward to seeing positive changes that benefit our community.

Sincerely,
