**Dear [Recipient Name],**

I hope this letter finds you well. I am writing to propose a partnership between [Your Organization] and [School District Name] to address the critical housing needs of our community's families and students.

As you may be aware, stable housing is a significant factor in student success, and many families within our district face challenges in securing affordable and safe housing. Our proposal aims to create a collaborative approach to provide assistance and support in this area.

## **Objectives:**

- Develop affordable housing solutions for families with students in the district.
- Create resources and workshops for financial literacy and housing education.
- Establish a referral program connecting families with local housing resources.

We believe that by working together, we can enhance the educational experience for our students and support the families within our district. I would appreciate the opportunity to discuss this proposal in more detail and explore potential next steps.

Thank you for considering this partnership opportunity. I look forward to your positive response.

Sincerely,
