

Dear [Client's Name],

I hope this message finds you well. As you consider selling your property, I wanted to present a variety of selling choices tailored to meet your needs and preferences.

1. Traditional Listing

Market your property through conventional real estate channels to maximize exposure.

2. Auction Sale

Conduct an auction for a quick sale, allowing competitive bidding to determine the best price.

3. Off-Market Sale

Sell your property discreetly to qualified buyers without public marketing.

4. Lease-to-Own Option

Offer potential buyers the opportunity to lease your property with the option to purchase later.

5. Short Sale

Explore options for selling the property at a price less than the outstanding mortgage balance.

Please feel free to reach out to discuss these options further, and I am happy to provide personalized advice based on your circumstances.

Best regards,
