

Happy Birthday, [Friend's Name]!

Dear [Friend's Name],

Congratulations on reaching the age where your back goes out more than you do! It's that magical time of year again when we remind you that you're one year closer to receiving those frequent flyer miles for your visits to the senior center.

As part of our social club, we've come together to celebrate you today! In honor of your birthday, we've decided to let you keep the "What're those?" jokes to a minimum. Just remember, it's not the years that count, it's how many times you can forget them!

We hope you enjoy your special day filled with laughter, cake, and just a sprinkle of embarrassment when we share your most questionable dance moves from last year's party!

So roll up those party sleeves, let's celebrate the wisdom and laughter you bring to our club (and the fact that you still can tell your age without using your fingers!)

Wishing you the best birthday yet!

Cheers,
[Your Name and the Social Club Name]
