Dear [Repair Service Manager's Name],

I hope this letter finds you well. I am writing to formally appeal the outcome of the recent repair service provided for my [appliance name, e.g., washing machine] on [date of service]. I was hopeful for a resolution, but unfortunately, the issues persist, and I am unhappy with the service received.

Despite the technician's efforts, the appliance is still [describe the issue, e.g., not functioning properly, making noise, etc.]. I have followed all recommended usage and maintenance instructions to ensure proper operation.

Given the circumstances, I kindly request a reevaluation of the repair work performed or a full refund for the services provided, as I believe this is a justified course of action based on the ongoing issues.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,
