Subject: Feedback on Recent Performance at [Festival Name]

Dear [Organizer's Name],

I hope this message finds you well. I am writing to express my dissatisfaction regarding my performance at [Festival Name] on [Performance Date]. While I appreciate the opportunity to perform, there were several aspects that impacted my experience and the overall reception of my set.

Firstly, I encountered sound issues during my performance. The audio levels were inconsistent, which affected my ability to engage with the audience effectively. Additionally, the time allocated for my set was considerably shorter than what was agreed upon, which limited my ability to showcase my work fully.

Moreover, I noticed a lack of coordination among the festival staff regarding stage management, which contributed to a disorganized atmosphere during my performance. This not only affected my performance but also the energy of the audience.

I value the experience of performing at [Festival Name] and believe that constructive feedback can help improve future events. I would appreciate any response regarding how these matters can be addressed.

Thank you for your attention to this matter.

Sincerely,

[Your Name]
